

A TWINNING IS...

A programme funded by the European Union (approx. €1-2M).

Sharing the knowledge of European public administrations with those of third countries

For one or two years

Build relationships of trust with counterpart administrations in partner countries

Strengthening our human capital (return of knowledge)

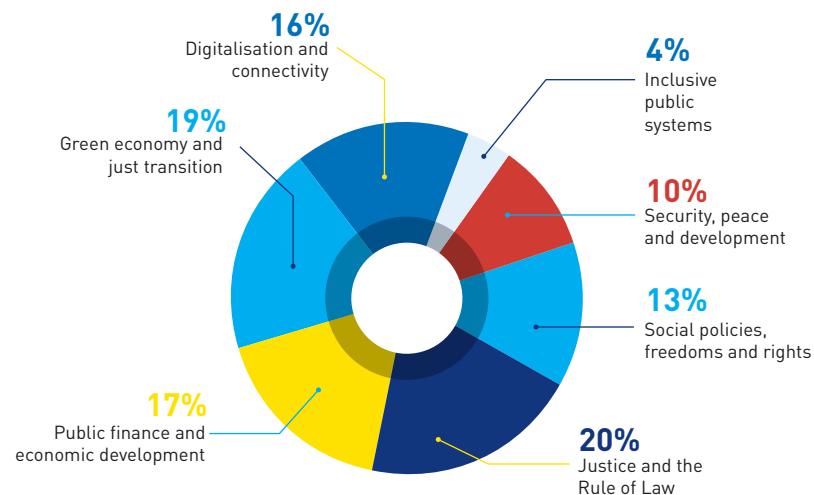

It allows to:

Financing our administrations' priorities with EU Funds

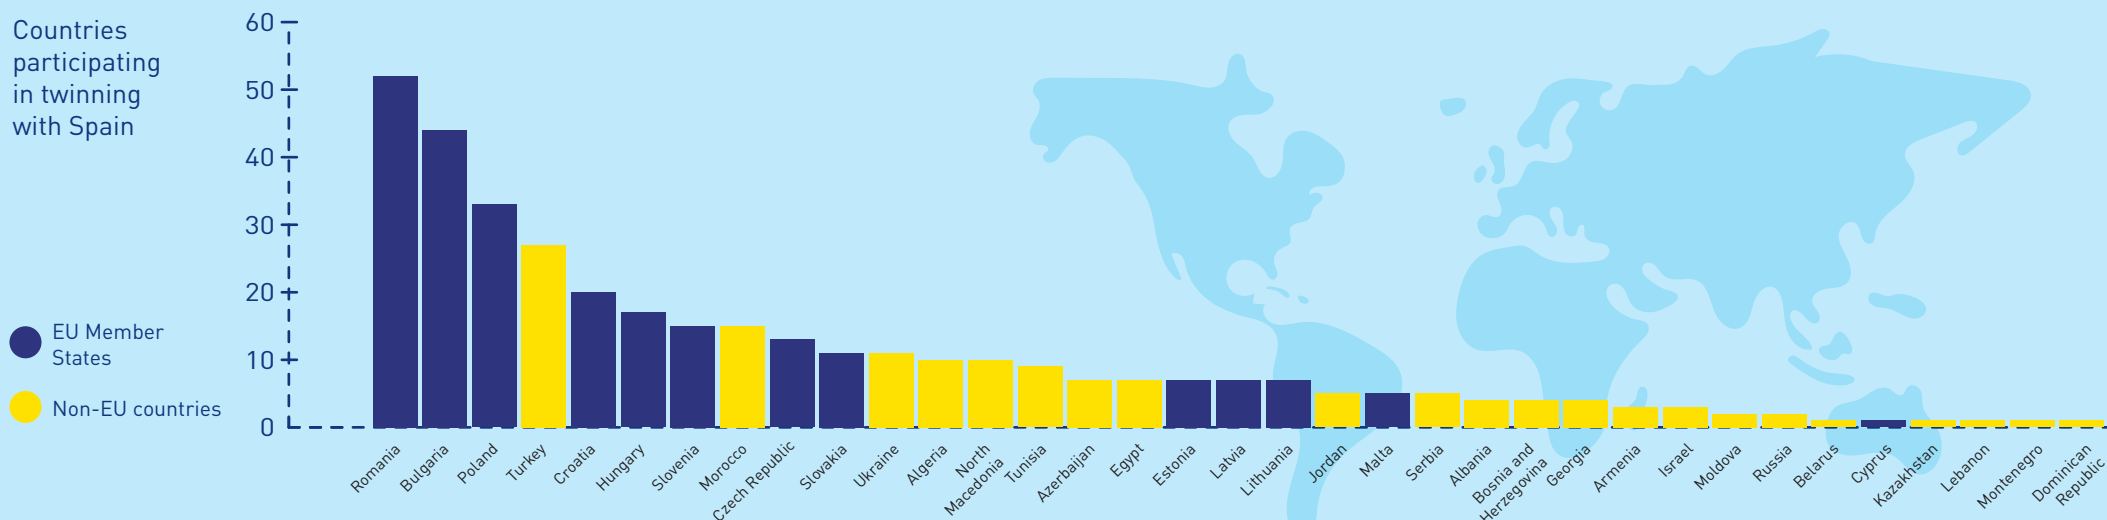

Strengthening our role in the world through our public expertise

Since 1999, Spain has participated in more than 360 twinings in Latin America and the Caribbean, the Mediterranean, Sub-Saharan Africa, Asia-Pacific and Europe.
